MARSHALS & RADIO OPERATORS TRAINING 2019

Our race authority and their insurers have put great emphasis on the importance of communication during races.

To meet this requirement, we are asking that all of our Radio Operators and those Marshals who use a radio for the purposes of the racing attend one of our Training Courses.

We are offering the following two courses;

Friday 3rd May - Castletown Commissioners Boardroom, Civic Centre at 7pm

Or

Tuesday 14th May - Castletown Commissioners Boardroom, Civic Centre at 7pm

For non-Island based operators, we will arrange training for you prior to the first session of the event you are signing on for.

Please text or email Peter Chadwick to confirm which course you will be attending.

Mobile number: 07624 304018

Email: sales@chadwick-iom.co.uk

For non -Island operators, please return your signing on forms as soon as possible so that we can make arrangements for you.

Thank you

Peter Chadwick
