The Promenade,  
Castletown, I.O.M.

19th. July 1965.

Once again the Southern (Isle of Man) "100" Road Race Meeting has been held, and once again I have been instructed by my Committee to thank you sincerely for coming along and supporting this Meeting, in particular, those of you who have been coming along year after year.

We would like to thank those of you who have already written expressing appreciation of the Meeting, and your criticism will also be appreciated and may be useful for future Meetings.

We hope to see you all again next year, if possible, and the Supplementary Regulations and Entry Form will be sent on application.

Several riders did not collect a Finisher's Award at the Presentation, and should write and claim them, when I will forward one in due course with pleasure.

Enclosed are the Provisional Results for the Meeting.

J. H. KELLY

Secretary of the Meeting.
