Dear Sir,

THE SOUTHERN (Isle of Man) "100" ROAD RACE MEETING 1970

Attached herewith are the Provisional Results of the Southern (Isle of Man) "100" Road Races held on the 14th, 15th and 16th July 1970.

Although racing conditions were not very favourable owing to the high winds on the Tuesday and Wednesday evenings which lowered the number of spectators, I think you will all agree we had some very interesting and enjoyable racing.

We would like to thank those of you who have already expressed appreciation of the Meeting, and any constructive criticisms you may have would be appreciated and may be useful for future Meetings. We hope to see you all again next year, if possible, and the Supplementary Regulations and Entry Form will be sent on application.

If you did not receive your Finishers Award at the Presentation would you please write and claim them when I will forward one in due course with pleasure.

Yours faithfully,

R. J. TAUBMAN

Secretary of the Meeting.
