Dear Sir,

THE SOUTHERN (Isle of Man) '100' ROAD RACE MEETING : 1972

Attached herewith are the Provisional Results of the Southern (Isle of Man) '100' Road Races held on the 11th, 12th and 13th July 1972.

I think you will all agree that we had some very interesting and enjoyable racing under ideal weather conditions.

We would like to thank those of you who have already expressed appreciation of the meeting, and any comments you may have would be welcome and may be considered for future meetings. We hope to see all of you again next year, if possible, and the Supplementary Regulations and Entry Forms will be sent on application.

If you did not receive your Finishers Award at the Presentation would you please write and claim them, when I will forward one with pleasure.

Yours faithfully,
